

EMERALD COAST HONOR FLIGHT – SANTA ROSA COUNTY INITIATIVE

This program will provide free airfare and bus transportation in Washington, plus guide service, food, and medical protection for our WWII Veterans to see their Memorial. This is a county effort to raise \$80,000 to cover the cost for our WWII Veterans.

Donations to the Santa Rosa County Veterans Memorial-Honor Flight, 5191 C Willing St, Milton, FL 32570 are 100% tax deductible. The window of opportunity to honor our WWII Veterans is fading very quickly. The time to act is NOW.

It is with hope and humility that we ask you to join with us in this initiative and adopt a Veteran from Santa Rosa County.
